

Greetings!

As you may already know, in order to maintain access to mCLASS:Home, all users must verify their email addresses by **Friday, September 24th**.

If teachers and administrators' emails are not verified by this date, their accounts will be deleted and they will need to contact their mCLASS administrator to restore access.

In order for teachers/administrators to verify their email, please follow the steps below:

- 1) Visit mCLASS Home (www.mclasshome.com) and log in as usual.
- 2) Submit your email address when prompted.
- 3) Check your email for a verification message.
- 4) Open the message and click the link to verify the address. If you don't see the verification message in your inbox, please be sure to check your spam or junk mail folder.

If you have any questions please don't hesitate contact our Customer Care Center at 800.823.1969 ext. 3.

Thank you for all of your hard work.

Sincerely,
Your Wireless Generation Team
